Additional comments about the presentations

"Wonderfull!"

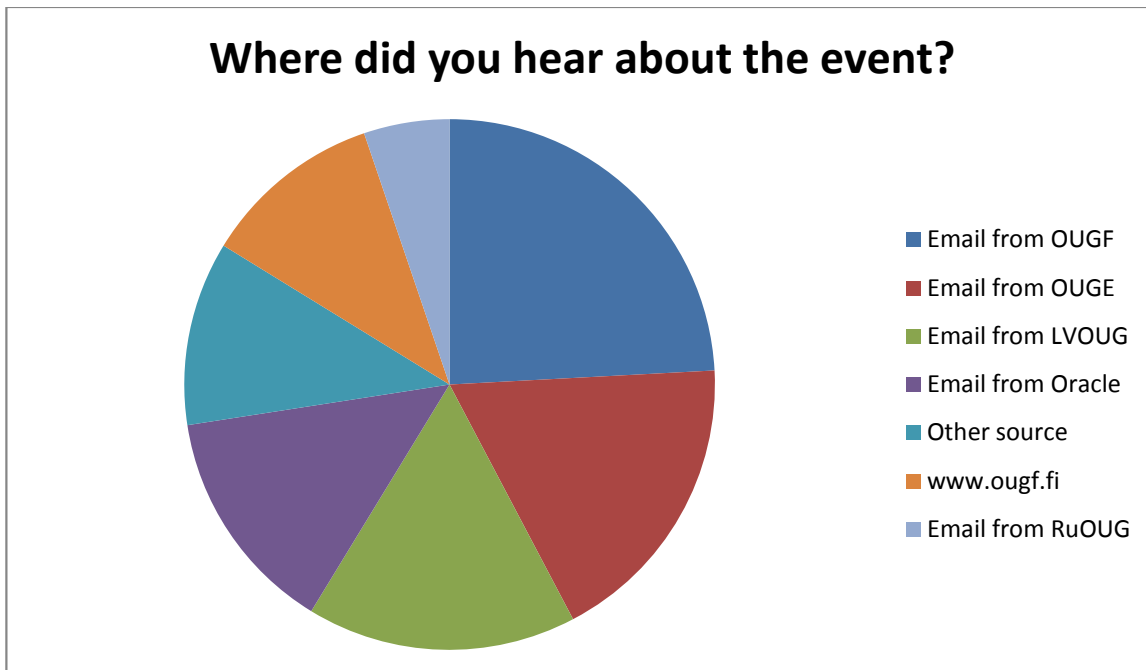

"Good speaker and interesting subject."

"Great presentation, lots of humor included:)"

“Most interesting presentation I've ever seen.”
“I finally understood what Fusion Apps are.”
“Very useful information. Should be required learning for all Oracle Developers.”
“More content than I could have expected!”
“I understand that there are lots of stuff I don't know :)”
“Very hard session, I fell asleep”
“Best presentations in years!”
“Excellent. Blew my mind.”
“BEST”

Additional comments about the event

“Very well organized. Thank you.”
“Keep up the good work!”
“The conference is one of the best in Baltic and Nordics. See you.”
“Being in such event for a first time, think it's a great alternative to Oracle OpenWorld, too large gatherings.”
“GREAT. THANKS!”
“Infra and services were as good as ever! Excellent!”
“The first day's presentations were good and the speakers very interesting. Nice hotel and good food. Nothing to complain about! :)”
“Excellent arrangements, as usual!”
“It was very very well organized event. Thank you!”
“There should also be the scope to discuss more with speakers in small groups.”
